ABOUT ME

A highly motivated and culturally adept Sussex University graduate with a BA in International Development with Arabic, now exploring a career in advertising and creative communications. Currently completing a portfolio program in Copywriting at the renowned Miami Ad School Berlin and interning at Jung von Matt SPREE, one of Germany’s leading creative agencies. Brings a diverse background that blends humanitarian work, international experience, and creative disciplines such as writing and campaign ideation. Multilingual, media-savvy, and skilled in conceptual thinking, storytelling, and collaboration.
